

## HALAL POLICY

We have devoted ourselves to provide first-class Halal Certification Services to our customers with our professional staff that are experts in their fields and our services.

Our objective is to provide our services in an impartial, independent and fair manner in accordance with our contracts that we have signed with our customers and Halal Accreditation Body (HAK), TS OIC/SMIIC 2:2019, TS EN ISO/IEC 17021-1:2015, ISO/IEC 22003 ve TS EN ISO/IEC 17065:2013 requirements.

We have designed a management system based on impartiality and objectivity; identified conflicts of interest and possible risks in order to achieve this goal as well as we regularly improve and implement this management system. Moreover, we set measurable targets to achieve this objective and examine whether these targets have been achieved or not through our regular management revisions. We have ensured that our company documentation has been accepted, comprehended and implemented at all levels of the company.

Being aware of the importance of impartiality in carrying out halal certification activities, we offer a service in which conflicts of interest are managed and objectivity is assured.

In our halal certification activities, we act with impartiality, confidentiality, Islamic Business Ethics Principles, adherence to Islamic values and Islamic responsibility awareness, and we act with the principle of transparency and declare the requirements to the public on our website.

We constantly observe the efficacy of our system through regular internal audits and revisions.

Internal and external activities of our company are constantly monitored and the feedbacks of our customers are assessed in order to ensure the service quality at the standards that we have specified. We improve our services in order to add more surplus value into our customers thanks to these activities.

As QSI, we undertake to ensure that the organizations that have been halal certified by us comply with Islamic business ethics, impartiality, confidentiality and halal certification through unannounced/announced audits, inspection and test results.

All QSI employees are liable at following this policy and company procedures.
